green Roman "II" were valid for one sinstallation both day and night;
"passes with a large green "0" were valid for all installations at all
times. Now, only those employees havening a pass signed by the local Werkschutz may visit SMV installations. This visit must be made on official
business, be confirmed by the individual receiving the visiter as well as
the manager of the plant which sent the visitor. These security regulations are strictly enforced by Capt. POLSKOI, Werkschutz commander of the
Zistersdorf area.
